## EXPERIENCE

### **Milestone Technologies, Wilayat Muscat, Masqat, Oman** Senior Software Developer(Remote, Full-time)

OCTOBER 2023 - PRESENT

Led frontend strategy as a senior contributor and team leader, managing developers, setting coding standards, and ensuring high-quality, scalable solutions. Collaborated with cross-functional teams to guide product design and deliver innovative frontend experiences aligned with company goals.

### **TrueTale, Los Angeles, California, United States** Senior Frontend Developer(Remote, Full-time)

AUGUST 2022- OCTOBER 2023

Directed complex UI development and architectural decisions to ensure scalability and performance. Mentored developers, enforced best practices, and collaborated with designers and product managers to deliver user-focused, high-quality applications

### **Data Art, Herat Province, Afghanistan** Senior Frontend Developer(Part-time)

JANUARY 2022 - JULY 2022

Worked on specific frontend tasks and feature development on a part-time basis. Assisted the team with bug fixes, UI improvements, and testing to ensure consistent design quality. Balanced multiple responsibilities while contributing to project deadlines and maintaining coding standards.

### **Microcis, Herat Province, Afghanistan** Frontend Developer(Full-time)

AUGUST 2020 - JULY 2022

Built and maintained user interfaces with modern frontend tools, integrated APIs with backend systems, optimized performance, and ensured responsive, user-friendly design.
